**PRESBYTERA DR. EUGENIA CONSTANTINO**

**Noted author, professor, podcaster and theologian on

How do these presumptions differ from Orthodox Christianity and what different conclusions are the result? Orthodox Christianity is based on preserving the timeless mind of the early Church, its *phronema*. Dr. Jeannie will cover what the Orthodox Phronema is, what makes it different from western Christianity, acquiring the Orthodox Christian Mind, modern challenges, and more!

**Who is this for?**

This retreat is for *adults* and will benefit all Orthodox Christians as well as inquirers into the ancient apostolic faith of the New Testament and the Early Church.
